COUNCIL COMMUNICATION**

M

AGENDA TITLE: Adopt Resolution Authorizing Local Match from Prop **1B** and Other Funds to the MK-Smart Growth Incentive Program (MK-SGIP) Infrastructure Grant for Lodi Avenue Improvement Project

MEETING DATE: December **17, 2008**

PREPARED BY: Public Works Director

RECOMMENDED ACTION: Adopt a resolution authorizing a local match from Prop **1B** and other funds to the MK-Smart Growth Incentive Program (MK-SGIP) infrastructure grant for Lodi Avenue Improvement Project.

BACKGROUND INFORMATION: On July 2, 2008, City Council adopted a resolution authorizing staff to submit a MK-SGIP grant application. At the October SJCOG Board meeting, an MK-SGIP grant was awarded in the amount of \$750,000 to the Lodi Avenue Improvement Project. SJCOG has requested a local match be adopted by City Council resolution.

The types of improvements eligible for grant funding include infrastructure improvements which encourage pedestrian, bicycle and transit trips; transit access improvements; street calming, enhanced lighting and streetscape improvement projects; and walkable community project improvements. Without the MK-SGIP funds, the project will not include enhanced improvements and would resemble a typical street maintenance project. The total estimated project cost is \$3,724,140 and the funding sources for the project are comprised of \$1,900,000 in Proposition 1B, \$179,140 in TDA Transit/Streets, \$250,000 in CDBG, \$80,000 in Art in Public Places, \$565,000 in Measure K Local Street Repair, and \$750,000 MK-SGIP grant.

FISCAL IMPACT: Without these MK-SGIP funds, the funds available for the Lodi Avenue Improvement Project would be reduced.

FUNDING AVAILABLE: Not applicable
